The Autobattler genre
meets Drafting in this
strategy card game.

1. Draft creatures and build your team

The player with the most wins after Round 3 is the champion!

Design and Touchstones:

- Emphasis on easy to learn mechanics and a gradual learning curve without sacrificing depth or strategy.
- 60 unique cards divided into 3 separate round decks: Designed for replayability through overlapping synergy.

Components:

- 168 poker-size cards, 10 black dice, 20 red dice, 20 green dice
